Incident Summary: The staff at the "Kids Care School" (charter school) were advised by a student that another student had a gun in their book bag. Staff members moved to secure the book bag that contained the gun and the gun was collected without incident. CPD Patrol Officers arrived and took the firearm into their control and brought the student (juvenile) into protective custody.

Detectives with the Gun Crimes Unit were advised of the incident and an interview was conducted with the juvenile (with his guardians in attendance). The firearm that had been recovered had been reported as stolen gun by a family member within the 24 hour period preceding this incident. Given the age and competency of the involved juvenile, no charges are expected to be forwarded to the Juvenile Prosecutor. This incident and gathered information will be referred to Children Services.

The recovered firearm will be submitted to the CPD Crime Lab for standard processing.

As in past incidents the Columbus Division of Police encourages gun owners to ensure that their firearms are secured and not accessible to juveniles.
